

OCTOBER

garden planning checklist

PLANT OF THE MONTH

pansies

☐

Pansies & Violas: The stars of the month, providing color and interest all the way into spring.

☐

Shrubs: Fall is ideal for planting shrubs, and you'll find a variety of options this time of year, from conifers to fall-blooming camellias.

☐

Fruit Trees: Now is a great time to start a home orchard. Fruit trees planted in the fall are set up for spring success.

☐

Fescue: Get your fescue grass seed started or feed your existing lawn.

☐

Moles & Voles: If you're seeing tunnels or runways in your yard, you may have moles or voles. There are safe, organic options to help rid your lawn of these pesky pests.

☐

Herbs: Herbs thrive in cooler temperatures. Plant rosemary, sage, thyme, oregano, parsley and lavender for a culinary selection all fall.

☐

Pumpkins & Gourds: Make your fall doorstep fun and inviting with pumpkins and gourds. With so many styles and colors to choose from, you can welcome guests all month long.
